Let's go and get Christmas caravan and camping holiday ready

More than 15,000 people are expected to attend the Let's Go Brisbane Caravan and Outdoor Sale at the Brisbane Showgrounds this week to prepare for their Christmas holiday adventures.

The four-day event from this Thursday to Sunday will feature more than 100 exhibitors showcasing the latest models and best deals on caravans, motorhomes, campervans, camper/tent trailers and slide-ons.

Weight and Towing Masterclasses will also be held daily, giving holiday-goers an important safety reminder on weight distribution and correct loading, before they take to the wheel.

The family-friendly event will also feature a KidzKlub area on Saturday and Sunday, with games, arts and crafts, face painting, balloon twisting, giant bubbles and more.

For the kids feeling a little more adventurous, there will be a rock climbing wall and Venomous Snake Show beside KidzKlub in Stockman's Rest.

Brisbane Showgrounds General Manager of Venue Sales and Marketing Jago Coyle said they looked forward to hosting Caravanning Queensland's outdoor sales at their venue twice a year.

"Caravanning Queensland has called the Showgrounds home for almost five decades, holding their popular mid-year and pre-Christmas events here," Mr Coyle said.

"This week's end of year sale event is always a must on the Brisbane calendar for anyone planning a trip with their recreational vehicle over the Christmas holidays."

The Let's Go Brisbane Caravan and Outdoor Sale will take place from 9am to 5pm daily, with tickets available [online](#).

The Brisbane Showgrounds precinct is located 1.5km from Brisbane's CBD and is Queensland's largest indoor/outdoor events site. Visit www.brisbaneshowgrounds.com.au
