

The Plaza

Venue Capacity

Cocktail: 1,400

Venue Access

Gregory Terrace

Dimensions

Size: 1,500m²

Floor: Concrete & grass

The Plaza features 1,500m² of flexible open space that can be utilised for outdoor exhibitions and functions. It's also ideal for pre-dinner cocktails, before guests make their way inside the world-class Royal International Convention Centre.

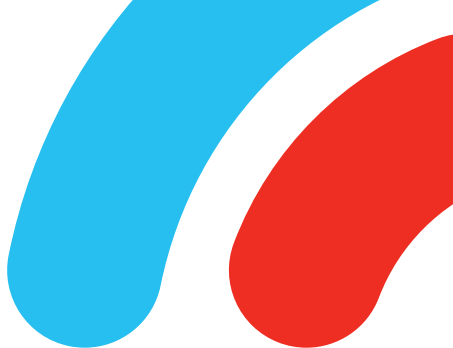

Facilities

Porte cochère, Wi-Fi and fibre optic facilities, telecommunication lines, wheelchair access, access to toilet facilities (within the Royal ICC), street lighting, public address system.

Suitable For

Cocktail functions, exhibitions, gala dinners, product launches and weddings.

The Plaza

Why stop at pre-dinner drinks when our warm Queensland climate allows for open air gala dinners. Use the breathtaking heritage listed brick facade of the old Showbag Pavilion as your event backdrop. You could even turn the space into your own street food venue or a grand entrance to any gala dinner - let your imagination run wild!
