

27 June 2025

## Stellar space exploration on show at the Brisbane Showgrounds

Get ready to be transported to another universe, with an out of this world experience on offer this Sunday at the Brisbane Showgrounds with Chris Hadfield's Journey to the Cosmos 2025.

Join Colonel Chris Hadfield, an acclaimed astronaut, test pilot, spacewalker, spaceship commander, and best-selling author, for a captivating journey into the majesty of our planet and the vast universe beyond this Sunday, 29 June from 6pm.

In this visually stunning event, Chris will present never-before-seen space imagery of Earth, the Moon, Mars, and more, in an awe-inspiring exploration of discovery, all in the comfort of the Royal International Convention Centre (Royal ICC) at the Brisbane Showgrounds.

Drawing from his three spaceflights, Chris will share gripping personal stories, moments of joy and great danger, insights into cutting-edge space technologies, and his unique perspective on where we are in human history.

Along the way, guests will have the chance to engage with Chris directly, ask their own questions, and even enjoy a live music performance.

Brisbane Showgrounds General Manager of Venue Sales and Marketing Jago Coyle said he and the Brisbane Showgrounds team were elated to host this 'out of this world' event.

"Chris Hadfield's Journey to the Cosmos 2025 is sure to amaze and inspire guests at the Brisbane Showgrounds this Sunday," he said.

"We are really excited to host this event for the first time, and we know our venue will provide the perfect backdrop for Chris to share his amazing stories, visuals and engage with the audience."

Don't miss this rare opportunity to be inspired by one of the world's most remarkable explorers. The event will run from 6pm-10pm this Sunday 29 June . For more information visit
