## Car and motorbike lovers rejoice with the return of RACQ MotorFest

Discover the latest in transport and mobility at RACQ MotorFest when it rolls into the Brisbane Showgrounds this Sunday.

Highlights of this year's MotorFest include the opportunity to test drive an e-scooter or e-bike.

Visitors will also enjoy more than 500 vehicles on display including Australian and US muscle cars, European exotics, Japanese performance cars, hot rods, motorcycles, and vintage and veteran machines.

The motoring showcase will have something for everyone with roving entertainment, free kids' rides, and food stalls.

There will also be an expanded Future Zone featuring the latest in electric vehicle technology and innovative mobility technologies that can help Queenslanders live and move more sustainably.

The event will also step back in time, celebrating 100 years of MG with a display of over 50 prestige vehicles.

Brisbane Showgrounds General Manager of Venue Sales and Marketing Jago Coyle said MotorFest was the perfect place to learn more about electric cars and future transport technologies.

"Electric vehicle sales are increasing rapidly and RACQ MotorFest showcases the latest innovations available, with experts on hand to answer visitor questions," he said.

"With more than 20 versatile indoor and outdoor spaces, the Brisbane Showgrounds is the perfect venue for large outdoor shows, such as the RACQ MotorFest".

Entry is \$2 per person at the gates with kids under 3 free, with all funds contributing to the RACQ Foundation's ongoing support of Queensland communities. The event runs from 10am to 3pm.

For more information visit RACQ Motorfest at: <https://www.racq.com.au/about-us/community/sponsorships/racq-motorfest>

The Brisbane Showgrounds precinct is located 1.5km from Brisbane's CBD and is Queensland's largest indoor/outdoor events site. Visit [www.brisbaneshowgrounds.com.au](http://www.brisbaneshowgrounds.com.au).
