## Train travel the ticket to the Let's Go Queensland Caravan and Camping Supershow

Be the first to use the brand-new Exhibition Station and catch the train to this week's Let's Go Queensland Caravan and Camping Supershow at the Brisbane Showgrounds, which opens tomorrow.

The newly upgraded Exhibition Station is part of the Cross River Rail project and it will transport visitors to the Supershow directly into the Brisbane Showgrounds for the event and then again during this year's Ekka (9-17 August).

For the first time since 2022, Brisbane Showgrounds patrons will be able to arrive and depart by train from inside major events, thanks to the all-new Exhibition Station.

This brand-new station with improved accessibility will put guests right in the heart of the action and means getting to the Caravan and Camping Supershow has never been easier.

Across five huge days from Wednesday 4 June to Sunday 8 June, the Caravan and Camping Supershow will showcase almost every major RV brand available on the market today.

There will be the latest model caravans, motorhomes, campervans, offroad recreational vehicles, budget friendly camper trailers as well as a huge array of gadgets and accessories plus information on caravan parks and holiday destinations from all around Australia.

The Van Life QLD Stage will be a hub of open road travelling information and advice, hosting daily presentations from Australian outdoor adventure YouTubers and influencers, *The Feel Good Family*; *Aussie Destinations Unknown*, *The Explore Life* and Eddie Springer from Springers Solar and *The Lifestyle Pioneers*.

The Supershow will also feature daily VANSafe Masterclasses lead by the team from Talking Towing who will cover essential topics such as tow vehicle/caravan weights (GVM, GCM, towball mass, tare, ATM), driver education and the importance of properly loading your caravan.

One lucky Supershow visitor will have the opportunity to win a 2024 plated Majestic Knight SLE 18' 6" Caravan valued at \$77,990RRP!

Brisbane Showgrounds General Manager of Venue Sales and Marketing Jago Coyle said he was excited to host one of Brisbane's most popular leisure events once again.

"Not only does this event offer everything you need to plan your next outdoor holiday and adventure, it's a great day out for the whole family with a dedicated kids entertainment program including a 5 person rock climbing wall; a fun Clown School at Kidzklub and a fabulous Paradise Country Farmstay competition," he said.

The Let's Go Queensland Caravan and Camping Supershow runs from 4-8 June from 9am -4pm. A one day pass is \$20; a two day pass \$35, children are free and concession tickets available at [www.caravanqld.com.au](http://www.caravanqld.com.au).

The Brisbane Showgrounds precinct is located 1.5km from Brisbane's CBD and is Queensland's largest indoor/outdoor events site. Visit [www.brisbaneshowgrounds.com.au](http://www.brisbaneshowgrounds.com.au)
